Days Inn Doylestown / Main Street Inn

Doylestown, Pa.

Definitely the most affordable choice, it is also the most basic. The Courthouse Motor Inn is located 1 mile from the studio...a 20 min. walk. The pluses are: two shopping centers directly across the road with grocery stores – one with a small health food section and prepared foods. There is a Laundromat 1 block away. If you make this your choice, we suggest you ask for a room towards the back of the motel...they are connected to a Mexican restaurant in the front, and there can be a lot of “traffic” at that end on the weekends. This is a few minutes drive from the workshop location.
