PARKING FOR SUN DOG YOGA STUDIO...

If you are coming for a workshop lasting more than three hours, check the above map for **FREE** parking, and extended meters in our area. The regular meters in town are “good” for up to three hours of parking (regular meters take quarters, dimes, or nickels—25 cents for an hour) - **PARKING IS FREE ON SUNDAYS!** If your meter expires, you will be given a \$5 ticket...if you don't move your car after being given ticket #1, you'll receive a \$40 ticket! We suggest against using the pay lot at State and Hamilton.

Here are some great options....

COURTHOUSE MUNICIPAL LOT—This lot is located at the corner of Broad and Union, and the parking is **FREE**. There are many spots....it is a 4-5 block walk to the studio.

10 HOUR METERS— The map shows areas with **10 hr. meters**....these meters take only quarters, but you get 2 hrs. for each quarter, and can park for up to 10 hrs.

FREE ON-STREET PARKING— You may park in residential areas several blocks away from the studio...on the west side of Union St. and on the blocks west of Union.
